

# Quick-Start Guide to Shop On-Line with an Agent

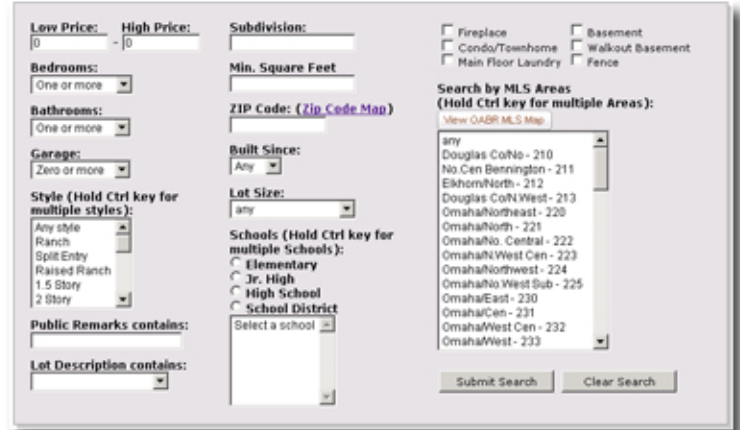

## 1 Login to Agent's web site.

Check your Inbox for the Login & Password Info for the Agent's Web Site.

## 2 Search for Properties. (More than 5,000 listings available.)

Search for homes with any search criteria you want.

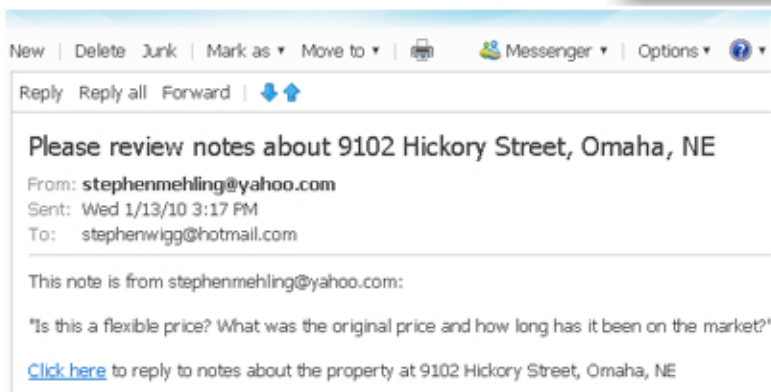

## 3 Add properties to your Favorites.

## 4 Add a note that will go to your agent if you have any questions.

## 5 All notes exchanged between you and your Agent will be in Email, like facebook

## 6 Our goal is "Know before you go," which means learn all you can before you get in the car and see homes with your Agent. The National average for homes physically viewed before buying is 9.
